

Prayer Diary 21st - 27th January Praying about Brexit

A suggested prayer for every day this week

Light of the World,
Lord of the Nations,
We turn to you at this crucial time
in the life of the land that we love.

Grant our leaders wisdom,
Bring our politicians insight.
Help them to work together
To serve all the people of this land.

Let calm surround their discussions,
And mutual respect shine through their debates.
Let personal advancement and individual gain be set aside,
As together they decide on the future of our country.

We pray for unity in our land
For reconciliation between those who strongly disagree,
And a commitment to understand and respect
Each other's point of view.

We pray for a shared vision for our nation,
A vision built on peace and justice,
Of a land where people can share life, and live well,
Where families prosper and communities are strong,
Where people live lives with purpose and free from fear,
And the natural world thrives.

We ask this in the name of the
Light of the World
And Lord of the Nations.

Amen.

A prayer for Brexit by the Revd Peter Crumpler
